## SAGE CARE Workshop at Davis Intermediate on September 8<sup>th</sup>

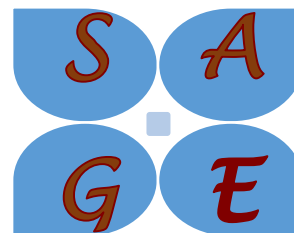

Wylie ISD Council of PTAs **SAGE** (Special and Gifted Education) Committee presented its first hands on **CARE** Creating Awareness & Respect Education workshop at Davis Intermediate on September 8<sup>th</sup>. All Davis students had the opportunity to rotate through 10 different stations during their PE period. They participated in a wheelchair relay race, crutches course, walking stick obstacle course, learned about dyslexia, asthma, allergies, vision and hearing impairments and more. The purpose of the SAGE CARE workshop was to give students the opportunity to see the world the way others around them see it. Tasks such as carrying a backpack, tying a shoe, reading a passage and carrying on a conversation are things students do every day with ease. These same tasks can be very challenging to others. SAGE will be offering more CARE workshops at other Wylie ISD campuses. Contact your school's PTA SAGE Chair for details. For more information on SAGE check the Facebook page SAGE of Wylie ISD Council of PTAs or the council webpage [www.ptawyliecouncil.com](http://www.ptawyliecouncil.com).
