

SAGE NEWS

February 2016

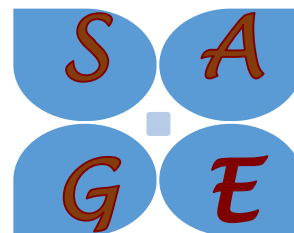

Are you looking to connect with other parents who have students enrolled in Special Education and Gifted Education Programs in Wylie ISD? There are several groups in Wylie ready to help you connect with other parents. One of the newest groups formed is for parents with special needs children ages 3-5 years old. **PPCD Wylie Families group** is a Facebook Closed group that meets for play dates and other activities. Another support group for parents is **P.A.W.S or Parenting Amazing Wylie Students**. They have meet ups where parents of special needs children come and discuss topics, offer support, and build friendships. Check out their Facebook Page for more information. Other resources for parents are: **Dyslexia Advocates of Wylie, Special Parents of Wylie Texas, Wylie Dyslexia, Wylie ISD GT and Advanced Academics, Wylie ISD Vision Services, and Wylie Sped**. For more information on SAGE check our Facebook [page SAGE of Wylie ISD Council of PTAs](#) or the Wylie ISD Council of PTAs webpage ptawyliecouncil.com.

SAGE is compiling a Community Resource List. If you have a resource you would like to share please email SAGE at sage@ptawyliecouncil.com. For more information on SAGE go to our Facebook page: SAGE of **Wylie ISD Council of PTAs**.
